European Community Award

Work member countries of the EC on or after their date of membership for points. Each such station counts 1 point, and may be used only once. No more than 20% of the points may be obtained by contacts with one member country. A contact with LX0RL may replace a missing contact with any of the member countries. No repeater/satellite contacts. No band or mode restrictions.

Europeans must earn 100 points; each member country must be worked at least once and 5 LX stations must be contacted. No more than 10 stations from the applicant's own country may be used.

All others must earn 50 points; each member country must be worked at least once and 3 LX stations must be contacted. GCR accepted, though sponsor reserves the right to ask for cards. Fee of 10 IRCs, \$8US, 200 FLX or DM10 to: Reseau Luxembourgeois des Amateurs d'Ondes Courtes, Awards Manager, PO Box 1352, L-1013 Luxembourg.
