U.R.E. JAEN Series

General Requirements: These two awards require the working of stations who are operating from the ancient castles located in different parts of Spain. Most of these, of course, will be special operations and portable stations, and one of the purposes of the awards is to encourage such operations. Both awards are free of charge, but the sponsor requests a contribution from Spanish stations of 3€ or 5 IRCs for expenses. Foreign stations should send 5€ or 5 IRCs and address label. Available to amateurs and SWL's. Altered QSLs are not valid. Contacts on or after 1 Jan 1994. All bands and modes, but no crossband QSO's. Send photocopies of the cards with contribution to: Seccion De URE JAEN, Post Office Box 160, 23080 Jaen, Spain.

Note: a special list of all the castle sites in Spain is available from the sponsor or K1BV for SASE/IRC. (TKS WB2AQC)(96)

Castles of Andalucia

Contact 8 different castles located in 8 different counties of the Autonomous Community of Andalucia. This includes the provinces/counties of Almeria (AL), Cadiz (CA), Cordoba (CO), Granada (GR), Huelva (H), Jaen (J), Malaga (MA) and Sevilla (SE). Endorsements are available for each additional 10 castles.

Castles of Spain

Spanish stations should contact 35 different castles in at least 10 of the 18 autonomous communities in Spain. Cueta and Melilla count as a separate community. These communities are: Andalucia, Aragon, Asturias, Baleares, Canarias, Cantabria, Castilla-La Mancha, Castilla-Leon, Catalunc, cueta y Melilla, Extremadura, Galacia, La Rioja, Madrid, Murcia, Navara, Pais Vasco and Valencia. Foreign stations need 25 different castles in at least 10 of the 18 communities as listed. Endorsements available for each further 10 castles. (A castle from the province of Jaen is mandatory.)

Diploma Ceramico DCE

You must have earned the "Castles of Spain" award shown above. This is a ceramic representation of the same award, but offers further endorsements up to 250 castles. Fee is 30€.

Trofeo Mil Endosos DCE

For this trophy, you will have had to earn the Castle of Spain Award, the Diploma Ceramico and worked a total of 1000 castles. The trophy is free.

Lighthouses of Spain Award

STL-URE Valencia sponsors this award for contacting stations operating from lighthouses in Spain on or after 1 Jan 1988. Dxpeditions to lighthouse sites are encouraged by the sponsors of the award. SWL OK. Valid lighthouse locations are listed in an official directory which is available from the sponsor (or K1BV) for SASE/IRC/2 units of postage -it is a big list. All bands and modes, but no use of repeaters. Satellite contacts OK. "Portable" and "mobile" contacts are valid if they are operating a legitimate station and the antenna is located within 50 meters of the actual lighthouse. Maritime stations may not be counted. The sponsor will require expeditions to prove by means of photographs, video tapes, etc that they actually operated from their claimed location. Expedition members may claim contact with the lighthouse for the purpose of the award upon submission of the needed evidence.

The award is earned by collecting points for each valid contact. Each different contact/lighthouse = 1 point. But if you work two different operations from the same lighthouse, each contact is valid. Points required depend on your WAZ zone:

Spanish stations need 50 points.

Zone 14, 15, 16, 20, 33 need 45 points.

Zone 5-13, 17, 21, 34-37, 40 need 35 points.

All other zones need 30 points.

Endorsements for 100, 150 and 200 lighthouses. After the 200 mark, endorsements for every 5 new lighthouses. You must submit the unaltered QSLs with a detailed GCR list that includes the official designation of the lighthouse locations claimed. The fee for the award is 7€, \$US7 or 20 IRCs. Endorsements are 1€, \$US1 or 2 IRCs each. Apply to awards manager: Francisco Gil Guerrero EA5OL, Apartado Postal 8176, 46080 Valencia, Spain.

Lugo Award

Contact members of DX Group LUGO Club after 1 January 1983. Spanish sttions need 15, other EU 5 and all others 3. A station may be contacted on different bands for credit, but only once after a wait of at least 24 hours. SWL OK. When applying, send a GCR list and a copy of your QSL. The award is FREE. This a handsome, multicolored award, well work seeking. Apply to: GRUPO DX LUGO, Manager, "Diploma DX Lugo", PO Box 313, 27080 Lugo, Spain.

Internet: <http://www.qsl.net/ea1cw/>

Lynx DX Group Award and Plaque

Basic award is available for earning 500 points, 8 of the EA districts and 6 Latin American Countries. SWL OK. Each country on each band is worth 1 point except that contacts with Lynx members is worth 2. 160 through 10 count plus WARC bands if approved in your country. Contacts since 1 January 1985. No cross mode or band, nor maritime or aeronautical mobile, repeaters or transponders. Endorsements at 600, 700, 800, 850, 900 and 950 points. 1000 points earns the plaque. Official application forms are needed and may be obtained from the Award Manager for SAE and IRCs. Cards and official application plus fee (not specified) should be sent to the manager: Vicente Sanjuan EA5AN, Calle Sevilla 13, 46006 Valencia, Spain.

Diploma Camino De Santiago (Way of Santiago)

The Spanish Association of Radioescucha (AER) offers this award when you make a radio "pilgrimage" by contacting two cities/towns which fall on the routes to Santiago de Compostela. SWL OK. You need at least one QSL (MW, FM, SW, Utility stations) from each of two French Department or Spanish Provinces inside one of the "Camino de Santiago" ancient route.

- I "Via Tolosana", from Arles to Puente la Reina. (France).
- II "Via Podensis" from Puy to Ostabat. (France).
- III "Via Lemovicensis", from Vezelay to Ostabat. (France).
- IV "Via Turonensis", from Paris to Ostabat. (France).
- V "Route from Ostabat to Puente la Reina. (France-Spain).
- VI "Camino Frances", from Puente la Reina to Santiago de Compostela. (Spain).

Award cost for EA + CT AER members is 3.75€, non-members 4.59€. All other countries: AER members 6€, \$US6 or 8 IRC's and non-members 8€, \$US8 or 10 IRCs. Send the copies of the 2 QSL cards and fee to: AER, Servicios Apartado 104, E-05080 Avila, Spain.

E-mail: info@aer-dx.org

Valid Departments and provinces for each route:

I - Via Tolosana: Bouches du Rhone, Gard, Herault, Tarn, Haute Garonne, Gers, Hautes Pyrenees, Pyrenees Atlantiques, Huesca, Zaragoza, Navarra.

II - Via Podensis: Haute Loire, Lozere, Aveyron, Lot, Tarn et Garonne, Gers, Landes, Pyrenees Atlantiques.

III - Via Lemovicensis: Yonne, Nièvre, Cher, Indre, Creuse, Haute Vienne, Dordogne, Gironde, Landes, Pyrenees Atlantiques.

IV - Via Turonensis: Paris, Val de Marne, Essone, Sena et Oise, Loiret, Loir et Cher, Indre et Loir, Vienne, Deux Sevres, Charente Maritime, Gironde, Landes, Pyrenees Atlantiques.

VI - El Camino Frnces: Navarra, La Rioja, Burgos, Palencia, Leon, Lugo, La Coruna.

Spanish Islands Award

General Requirements: Available for contacting Spanish islands since 1 Jan 1988. SWL OK. Direct and Satellite OK. Designed to promote interest in and expeditions to Spanish Islands. Fee schedule:

Basic:	Ceramic Statue	Award	Endorsement
	Spanish Stations	5000 Pt.	400 Pt.
	Foreign	\$US70 or 140 IRC	\$US6 or 12 IRC
Basic	Paper		
	Spanish Stations	1000 Pt.	No charge
	Foreign	\$US12 or 24 IRC	No charge

Spanish Island listing on DXAWARDS.COM.

Apply to: URE, PO Box 75, 46400 Culleron (Valencia), Spain.

Basic Award - contact different Spanish Islands depending on your WAZ zone. EA's need 25 Points,

In Zone 14-16, 20 and 33 need 20 points.

In Zone 5-13, 17, 21, 34-37 and 40, need 12 points.

All other zones need 8 points.

Endorsements for every 5 new points - endorsements are free, but you should provide SASE/IRC.

Silver Award - as above, but the points are required to be earned on each of the following bands: 28, 21, 14, 7 and 3.5 Mhz. (For example, EA's need 25 points times 5 bands = 125).

Golden Award - same as the Silver, but requires the 5 HF bands plus 18 and 24 Mhz. (For example, EA's need 25 points x 7 bands = 175 points.)

TDEA CW Award

Sponsored by URE section Local Vila-real. Work all EA districts (1 to 9) on CW, 80 to 10 meters since 1 Jan 1976. Contacts must have been made from the same country with the same call sign, and only on CW mode.

Endorsements:

5BTDEA - as above, but on 5 bands.

160 TDEA - as above, but on the 160 meter band.

No repeaters, satellite or mobile QSOs. GCR list and 5€ or \$US5, endorsements 1€ or \$US1 to: Seccion Local URE, EA5BM, PO Box 210, 12540 Villareal (CS), Spain.

URE Torrent Permanent Diploma

Contact members of the Torrent Amateur Radio Union after 1 Jan 1990. All bands and modes. Stations in Spain, Portugal or Andorra need 20, all others 15. A VHF/UHF award is available for contacting 200 stations in Valencia province, of which 30 are from Torrent section plus one contact with EA5ELT. No repeater or mobile contacts. List of members available from sponsor. GCR list (no fee stated, but suggest postage) to URE, PO Box 110, 46900 Torrent (Valencia), Spain.

Valencia's Community Award

The community of Valencia consists of the provinces of Valencia, Alicante and Castellon. EA stations need 20 of the 34 regions of Valencia, others 12 on or after 1 January 1987. A special trophy will be awarded to any station who contacts all 34 regions after 15 June 1995. Only licensed amateurs, not SWLs. No use of repeater contacts - all contacts must be with fixed, not mobile stations. Contacts must have been made from the same country. Available for HF and VHF/UHF, but not mixed. GCR list by IARU affiliated society, otherwise cards need to be sent. The award is FREE, but trophy costs \$US45. Apply to U.R.E.V., PO Box 453, 46080 Valencia, Spain.

E-mail: ea5unjose@teleline.es

AMATEUR RADIO AWARD'S DIRECTORY

Lanzarote, Island of the Volcanoes Award

Work different stations on Lanzarote Island. EA's need 10 points, all others 5 .

Each QSO (or SWL card) with a Lanzarote station = 1 point, contacts with club station EA8RCL = 5.

GCR list and fee of 2€ or \$US2.

Available to all amateurs and SWL's. All bands and modes may be used.

Apply to: Union de Radioaficionados Arrecife, PO Box 208, E-35500 Arrecife de Lanzarote, (Canary Islands), Spain.

Worked All CANARY ISLANDS

Sponsored by the "Grand Canaria DX Group" to any amateur or SWL who provides proof of contact or reception with the Canary Islands. The award is offered in two classes: Basic and Extra, and in 5 categories for mode, for a possible ten awards.

Basic: contact or hear the seven major Canary Islands: El Hierro, Fuerteventura, Gran Canaria, La Gomera, La Palma, Lanzarote and Tenerife.

Extra: contact the seven islands listed above plus an additional seven islands, islets or rocks, on which there is no permanent amateur radio population, and which appear in the official listing of the Spanish "DIE" award program (Diploma Islas Espanolas, <http://www.earol.net/die/> . These are identified in the "S-###" reference section with either "GC" (Gran Canaria) or "TF" (Tenerife) as the province and "AF-004" as the IOTA number.

The award in either category can be requested for the following five modes: CW, SSB, FM, Digital (RTTY, SSTV, BPSK31) or mixed modes. All bands and modes, no date restrictions. Send a list including call sign, name of island, band and mode. Include scans or photocopies of the cards. You may also send scans of the cards by e-mail directly to the Gran Canaria DX Group at grupodx@ea8.net . Fee for each award is 10€, \$US15 or 7 IRCs. Apply to: W.A.C.I. Award Manager, PO Box 54, E-35080 Las Palmas de G.C., SPAIN.

Internet: <http://www.grupodxgc.com/>
