Page 2 .

Satellite Award - Available to all operators. Contact 100 amateurs outside of your home country using any Satellite mode. Fee is \$US2. No SWL. 9 of the contacts must spell the word SATELLITE by using the last letter of their callsign.

144 Mhz SSB Award - Available to all operators. Contact 25 operators outside of your city using 2m SSB. Fee is \$US2. 2 signatures of verification are needed.

430 Mhz SSB Award - Available to all operators. Contact 50 operators outside of your city using 430 SSB. Fee is \$US2. 2 signatures of verification are needed.

160 Meter CW Award - Available to all operators. Make CW contacts on 160 in North America: 2 from each US state and one from each Canadian province and territory. 113 contacts needed. 2 signatures of verification are needed.

Canadian Islands Award

General Requirements: Apply to Maple Leaf Radio Society, 5 McLaren Avenue, Listowel, Ontario, Canada N4W 3K1. No date restrictions. No repeater QSO's or /MM near islands. QSLs must be in your possession. Contacts on or after 15 November 1945. SWL OK.

Rules, huge list of islands and pictures of awards may be found at: <http://www.qsl.net/ve3tpz/cisa> (Chg 3/2005)

CISA - Certificate Award

Sponsored by the Maple Leaf Radio Society for confirmed contacts with different Canadian Islands. Class V (Basic) = 5 islands, Class IV = 10 islands, Class III = 15 islands, Class II (Excellence) = 20 islands. Class I = 25 or more islands. Plaque is available at 50 or higher levels. Regular endorsements above 50 for 75, 100, 125, 150, 175 and 200 islands. GCR list and \$C4 or \$US4 for VE/US or \$5 for DX. Endorsement fee is \$3 for VE/US and \$4 for DX for the 75, 100, 125, 150, 175 and 200 island levels. Fee for black aluminum plate with gold underlay is \$C35 for VE's, \$US35 for USA, and \$US40 for DX. Fee for COMPLETE plaque mounted on ebony/black marble finish wood with size of 9x12 inches is \$C55 for VE's, \$US55 for US and \$US60 for DX.

Canadian Islands Award of Excellence Plaque

The Canadian Islands Award of Excellence Plaque requires confirmation of 300 or more Canadian islands, BUT all geographic areas of Canada VE1-VE9, VO and VY must be represented. Fee is same for 50 plaque.

Canadian Islands Activator Award of Excellence Plaque

When you work a minimum of 25 stations from an island, that particular island can be claimed for credit for you personally, for your own C.I.S.A. total. If you work 50 or more stations, then the island may count towards the "Island Activator of Excellence Award". This is free of charge to outstanding Canadian activators.

Canadian Ladies Amateur Radio Association (CLARA) Series

CANADA Canadian Ladies Amateur Radio Association (CLARA) Series

General Requirements: GCR accepted. Contacts after 1 January 1945. All bands and modes except 2 meters and VHF packet. Cards must be in your possession, but need not be submitted. Custodian reserves right to request any card. Basic certificates are obtained for working and confirming contacts listed for each category. Endorsements available for each certificate in increments of 10 contacts. The DXCC-YL and WAZ-YL plaques are brushed bronze and black on a walnut finished back, about 8X10 inches. Fee for basic certificate \$US5/\$C5. Endorsements \$US/C3, Engraved plaque \$US/C60. Apply to: Kathy Munding VE3IGK, 499 Ferndale Court, London, Ontario N6C 5C2, Canada. .

CLARA National Net: Tuesday 1700Z on 14120, except July/August.

Internet: <http://www.qsl.net/clara/>

CLARA Certificate

Canadian and US stations work 10 members in 5 Canadian call areas (limit of 4 VE3/VA3). DX stations work 5 members in 3 Canadian call areas (limit 2 VE3/VA3). (CHG 00)

AMATEUR RADIO AWARD'S DIRECTORY

CLARA Family Certificate

Work a member plus any licensed family members scoring 1 point for each contact made. Family members need not reside in Canada nor same address. A total of 10 points needed for award. Log must show family relationships.

CLARA 10 DX YL Certificate

Work 10 YL's in 10 different countries. Use an approved DX country list. When 100 DXYL contacts have been confirmed for 10 DX certificate, you may apply for either the special paper certificate or the Engraved Plaque.

YL-DXCC certificate or engraved plaque

As above, but work YL's in 100 different countries. Use approved DX country list. See plaque fee above..

WAZ-YL Certificate or engraved plaque

Work YL's in 10 different CQ zones. Endorsement each additional 10. Plaque available when all 40 CQ zones are confirmed.

Canadian Lighthouse Awards

General requirements: Awards are available to all amateurs and SWLs for working lighthouse stations as specified below. A station may be counted if it is located within visual sight of the lighthouse. It does NOT have to be physically located on the property of the lighthouse. To count as a Canadian lighthouse, stations may also be aboard vessels anchored in the vicinity of the lighthouse or lightship. All bands and modes OK. See their website for official lists of valid Canadian lighthouses. Submit a copy of your log with call and location (name) of the lighthouse/lightship along with the date and time of QSO and the official ARLHS number of the light. Fee for both awards is \$US5. Apply to: Pierre L'Homme VE2LHP, 484 rue de la Garonne, St-Nicolas, QC, Canada G7A 1N8.

Internet: <http://www.qsl.net/ve2pt/>

Worked All Canadian Provinces Lighthouse Award

Work lighthouse stations in at least 5 of the 8 Canadian provinces which have lighthouses. An endorsement is awarded for working stations in all 8 provinces.

Province of Quebec Lighthouse Award

Work any five Province of Quebec lighthouses.

Canadian Provinces Award

All amateurs or SWL's are invited to cross Canada via radio and contact as many stations in as many Canadian Provinces as possible "Canadians talking to Canadians", and earn points for this award. Contacts starting 1 Jan 2000.

Rules for Canadians:

Contacts made in your own Province, one time, each contact = 1 point.

Contacts in adjoining Provinces, one time, each contact = 2 points.

Contacts made in next removed Province, one time, each contact = 3 and so on, up another point the further you go east or west.

(This means 2 provinces away, and so on each province separating you both equals another point.)

North West Territories, 1 point from any adjoining provinces.

Labrador, 1 point from adjoining provinces.

Rules for USA Stations:

US station may "adopt" nearest Canadian provinces as their "own", ie NY — Ontario, Mass — Quebec, etc. Bonus Points: refer to WWW page for special categories.

Total of 100 points needed for Bronze Award, 200 for Silver and 300+ if you wish to earn Gold. All bands and modes. Stations may be worked only once. Net check-ins accepted, but contacts received as Net Control are not acceptable. SWL OK.

Submit copy of logged contacts showing usual information and points claimed and alphabetical list to avoid duplications. Fee is \$US/C5 to: Heritage Amateur Radio Club, Eric Olsen VE3GGO, 7 Skye Valley Drive, RR#4, Cobourg, Ontario, Canada. K9A 4J7 E-mail: harc@eagle.ca Internet: <http://www.eagle.ca/~harc>

Canadian QRP Award

Contact all 13 provinces and territories of Canada on 2-way QRP after 25 January 1972. QRP is defined as using not more than 5 watts CW or 10 watts PEP SSB. GCR list and fee of \$US3, \$C5 or 5 IRCs to: Jeff Heatherington VA3JFF, 139 Elizabeth St. W, Welland, Ontario, Canada L3C 4M3.

E-mail: va3jff@rac.ca

WWW: <http://www3.sympatico.ca/wjhetherington/cqa.htm>

Canadian 2/80 Award

Sponsored by Metro ARC and available for working 2X2 callsigns in each of the following 12 Canadian zones or provinces:

VE1 - Nova Scotia VE7 - British Columbia

VE2 - Quebec VE8 - Northwest Territory

VE3 - Ontario VE9 - New Brunswick

VE4 - Manitoba VO1 - Newfoundland

VE5 - Saskatchewan VO2 - Labrador

VE6 - Alberta VY2 - Prince Edward Isl.

Note: VY1 - Yukon may not be substituted for a VE8. VE1 - New Brunswick, VA2, 3 or 7 may be substituted for VE9, VE2, 3 or 7. 2X3 call signs may be substituted for the 2X2 requirement for CY0/9. Contacts must be made from one location or if mobile, within 150 miles of your home QTH. All contacts must be made on the 80 meter band on any number of modes. 2/80 Working Group net has been established to help achieve this award. Look for them every Friday and Saturday between 3.753 and 3.760 at 0200Z except during contest weekends. All contacts must be made unassisted. Net control will ensure contacts are valid for the award.

Endorsements as follows:

1. Worked All Canada - 18 Call Zones - work additional 2X2 callsigns in each of the following zones:
VY1 - Yukon VA2 - Quebec
CY0 - Sable Island VA3 - Ontario
CY9 - St. Paul Island VA7 - British Columbia
If a VA2, VA3 or VA7 was worked for the basic award, then you must work a VE2, VE3 or VE7 for this endorsement. For CY9 and CY0, 2X3 calls may be substituted.
2. Operator Initial Callsigns - Work all 12 basic zones with 2X2 or 2X3 initial callsigns. On the 2X2 callsigns, the suffix may be reversed. On the 2X3 callsigns, the suffix must match the following: 1st letter = first name, 2nd letter = middle name, 3rd letter = last name.
3. Gold Award - Work all call zones VE1-VE9, VO1-VO2, VY1-VY2 with a 2/80 number. 2X2 and 2X3 callsigns are good for this endorsement. VE0, CY9 and CY0 are not required.
4. Worked All YL's - Work all call zones with YL operators. VE0 is not required. CY9 and CY0 are interchangeable and only one is required.
5. Worked Only SSB - Work all 12 Basic zones using SSB for those who worked their basic award with multi-mode only.
6. CW - Work all 12 basic zones by CW only.
7. Digital Mode - Work all 12 basic zones using HF packet, RTTY, AMTOR and/or PACTOR only. This endorsement is for those using SSB only for the basic award.

Note: all requests for endorsements must be sent to VE9RHS. The application form must be completed and sent with SASE and funds for the seals. Each seal is \$US/CAN1. Submit cards, \$US4 or \$Can3 plus a 9x12 SASE with sufficient postage to return the cards - to Norman H. Smith VE3EJQ, 1846 Cora Drive RR3, Cavan, Ontario, Canada L0A 1C0. A special application, logbook and complete copy of the rules is available for SASE/IRC from: Rudi Saueracker VE9RHS, Canadian 2/80 Working Group Information Officer, 2190 Champlain Street, Dieppe, NB, Canada E1C 8J9.

Fee is \$US3/\$C3. Contacts since 1945.

AMATEUR RADIO AWARD'S DIRECTORY

5 Band Canadaward –

A special engraved plaque available for stations who confirm contacts with the 13 provinces and territories on 5 amateur bands. Fee is \$US50 for stations outside of Canada and \$C50 (with backboard) for Canadian amateurs. With no backboard, the costs are \$US20 and \$C20.

List of Canadian Provinces and Territories

VO1-VO2 Newfoundland Labrador	VE4 - Manitoba
VE1 - Nova Scotia	VE5 - Saskatchewan
VE1/VE9 - New Brunswick	VE6 - Alberta
VY2/VE1 - Prince Edward Island	VE7 - British Columbia
VE2 - Quebec	VE8 - NWT
VE3 - Ontario	VY1 - Yukon
VY0 - Nunavut	

All bands may be used. Each distinct satellite mode will count as a separate band. Note: VO2, Labrador is a part of the Province of Newfoundland and counts for Newfoundland. Some Canadian stations may be using different prefixes. Applicants should note that the award is based on the province or territory of residence of the QSL card, not the prefix.

Internet: <http://www.rac.ca/awards.htm#CANADAWARD>

Worked All RAC Award

Make 2-way contact with at least 10 of the 18 prefixes containing the suffix "RAC" on or after 1 July 1998. These are official stations of the Radio Association of Canada. In Provinces or Territories having two RAC calls. ie: VA4 and VE4, VA1 and VE1, etc. only ONE of the two prefixes count in the total of the TEN required.

The 18 prefixes are: VA1, VA2, VA3, VA4, VA5, VA6, VE1, VE4, VE5, VE6, VE7, VE8, VE9, VO1, VO2, VY0, VY1, VY2. Note: Cards for the RAC official stations (all prefixes) should be sent to the call book address: Radio Amateurs of Canada, 217 - 720 Belfast Rd. Ottawa, ON K1G 0Z5. They should NOT be sent directly to the operator.

1. Basic Award: 10 contacts, as stated above, on any band, any mode. 10 cards are required.
2. An endorsement is available to amateurs who supply proof of 2 way contact with "ALL" 14 official RAC stations as listed. NOTE: When 2 calls are listed for a province or territory either station will count but NOT both. The charge for the endorsement is \$1.00 US.
3. Single Band: 10 contacts, as stated above, on a single band, and the following modes, CW, SSB, RTTY, MIXED, SSTV, SATELLITE, OTHER. 10 cards are required. Certificates are available for each band/mode.
4. 5 Band Plaque: A special engraved plaque is available to any Amateur who confirms two-way QSO's, as stated above, on 5 bands or more using rule for single band, mode. A total of 50 cards will be required. Cost of plaque, without backboard \$20 US, \$20 Cdn for Canadians. With backboard \$50 US, \$50 Cdn for Canadians.

GCR list and fee of \$US5 or \$Cdn 5 to: Bill Metcalfe VE6BF, 5704 - 48th AVENUE, BEAUMONT AB T4X 1C3, CANADA
E-mail: ve6bf@rac.ca

Registry of Senior Wireless Operators

This certificate recognizes those wireless operators who have been on the air for more than twenty five years and are licensed to operate transmitters with power in excess of 100 watts.

Send a photocopy of your original license over-written BOLDLY with the words "Photocopy - not valid for use. For file purpose only." [If original license unavailable, they will accept reasonable proof such as a QSL card of a two-way contact with date clearly shown.].

Send photocopy of your present license, marked as above OR if you are listed in QRZ, simply advise that you are listed and provide your present call letters.

Print your call and name exactly as you wish it to appear on the certificate. Send \$6.50C or \$US5 or 6 IRC's to: WO25+ Registry, 91 Hillsborough Cr., Kitchener, Ontario, Canada N2E 1J5.
(Chg 10/05)

Stampede City Award

Earn 10 points by contacting stations in the City of Calgary, Alberta after 1 January 1962. Members of the Calgary ARA who live outside of the city but are active in the organization also count. Calgary stations count 1 point each. All bands and modes. Only stations who live outside of Calgary may apply, though Calgary stations may earn the award by operating outside of the province. Contacts with club stations VE6AO and VE6NQ count 2 points. SWL OK. Log data only and fee of \$US3 to: CARA, PO Box 592, Station "M", Calgary, Alberta, Canada T2P 2J2.

Vintage Operators Award

Established to recognize those who collect, restore and operate vintage military communications equipment. Basic award available for 5 contacts with each type of equipment. Only one contact per equipment type per day is allowed.

The following information must be exchanged using the equipment: callsign, operators name, equipment type, equipment serial number and signal report.

The equipment must be used without major modifications with an exception for power supplies, antenna and extremely rare or valuable components.

Distance covered must be representative of those encountered in the normal operation use of the equipment (e.g. 1Km per watt for radios, 0.5km for line and visual equipment).

Contacts must be made after 15 August 1995. It is not necessary for both ends of the exchange to be made with vintage equipment. Separate endorsements may be given for the receiver and transmitter of a particular set. Full details to be sent to either of:

D. Lawrence VA3ORP, 1309 Sunbury Rd., RR2, Inverary, ON , Canada K0H 1X0.

C. Basaillion VE3CBK, 1324 Old Carp Rd., RR1, Kanata, ON, Canada K2K 1X7. (Tks VE3EIM)(99)

Worked All VO Award (WAVO)

Contact 20 different VO's operating fixed, portable or mobile in the province.

One of these must be using a VO2 Labrador prefix. VO1 or VO2 stations need 60 and two must be using a VO2 prefix.

Contacts since 1 June 1946 and must be made from same call area.. No endorsements are available.

GCR list and postage to: Society of Newfoundland Radio Amateurs, c/o Paul Piercey, PO Box 23099, St. John's, NL A1B 4J9, Canada.

Internet: <http://www.sonra.ca/>

Worked All Winnipeg Award

Sponsored by the Winnipeg ARC for making contacts with VE4 stations located in Winnipeg, Manitoba. The award is presented on parchment stock with drawings on the border of the many buildings that represent attractions in the city along with the Provincial Emblems. Contacts since 1 Jan 1956.

All bands and modes. No repeaters. Endorsement for single band and mode. Stations outside Manitoba, but in North America need 15, stations within Manitoba need 25, all others need 10.

GCR list and \$2 Canadian or 6 IRCs to: Worked All Winnipeg Award Custodian, c/o Dick Maguire VE4HK, 598 St. Mary's Road, Winnipeg, Manitoba, Canada R2M 3L5

Zone 2 Award

Confirm contact with three prefixes (VE2, VO2 and VE8) in the northeast area of North America. VE2 stations is Quebec count if north of the 50th parallel, and the portion of the Northwest Territories (VE8) east of 102 degrees and north of 50 degrees (all VO2 stations are in Zone 2). A contact with Nunavut in VY0 since 1999 if east of 102 degrees to replace VE8. SWL OK.

GCR list and fee of \$US3 or 8 IRCs to: Gilles Soucy VE2GSO, Box 46, Fermont, Quebec, Canada G0G 1J0.

SPECIAL EVENT CENTURY CLUB AWARD (SECC)

The SECC award is issued to any licensed amateur radio operator who has worked and confirmed contacts with 100 special event stations. For the initial award you only have to work and confirm 25 special event stations. You can upgrade the award in increments of 25 up to a total of 100 contacts. Stickers available for 50, 75 and 100 stations. All bands and modes. Only two-way simplex type contacts count. No contacts on repeaters, satellites, IRLP, or echo link will count for this award. Contacts are valid on or after January 1, 2006. You must possess the QSLs. Application form is available on web site listed below. Send completed form along with fee of \$US5.00 and a copy of at least 10 of your qsl cards or certificates to Terry Greenwood VE3TMG, 2210 Janette Ave., Windsor, ON N8X 1Z8, Canada.
