

AMATEUR RADIO AWARD'S DIRECTORY

--- Federacion Mexicana de Radio Experimentadores A.C. Series ---

General Requirements: GCR list and fee of \$US3 for each award to: FMRE, Comision de Diplomas, Apartado Postal 907, 06000 Mexico DF, Mexico. Cards must be submitted to sponsor.

America Award

Provide proof of contact with 20 XE amateur stations and at least 40 American (North and South) DXCC countries in one mode, except mobile stations. Contacts since 1 January 1957. Endorsements by band and mode are available for each 5 additional countries, or for band and mode.

Mexico Award

Contact an XE station in each of the 32 Mexican states. Revilla Gigedo counts as Colima. See Colima series below for the list of Mexican states.

Mexico DX Award

DX stations contact 15 different XE states, including the Capital District (D.F.) plus 35 additional XE's. XE stations need 20 XE states plus Capital District plus 35 additional XE's. Endorsement for each additional 5 XE states up to 30.

WAXE Award

Contact 15 XE1, 5 XE2 and 5 XE3.

Border CW Mexico - USA

The Association of Radio Amateurs of South Baja California, A.C. (Mexico) sponsors this award to all amateurs and SWLs who make CW contacts with the states bordering Mexico and the United States on or after 12 October 1996. All stations must be fixed, mobiles not permitted.

13 contacts are needed in the following states:

USA - California, Arizona, New Mexico, Texas (4)

MEXICO - 3 in Baja California, one each in Sonant, Chihuahua, Coahuila, Nuevo, Leo'n, Tamaulipas (9)

GCR list and fee of \$US5 or 10 IRC's to: Association of Radio hams of South Baja California, A.C. XE2JNE, Award Manager, J. Felix Nuñez Enciso, Av. Revolution 3080, E/Sonora and Sinaloa La Paz, B.C.S. 23040 MEXICO. (Alternate address: Post-office box 188, La Paz, B.C.S. 23000 MEXICO.)

Radio Club of Colima Series

General Requirements: Sponsored by the Radio Club of Colima for amateurs or SWL's. Contacts after 1 January 1958. Available for CW, SSB or mixed modes. Cards may be sent or you can use GCR rule. All contacts must be with land stations, no MM and must have been made from the same country, and in the case of XE applicants, within the same Mexican state. Minimum reports are RS33 or RST333. It is not necessary that the same station be worked on each band - any combination of stations may be used. It's recommended a special application be used - available from the sponsor for SAE/IRC. Each of these awards is FREE of charge - the applicant is however, required to provide postage or IRCs only to return the award to you. Those earning the awards will be listed in the official magazine of the LMRE "Onda Corda". Apply to: Radio Club of Colima, Clavel 333, Colima, COL.28030, Mexico.
