

# AMATEUR RADIO AWARD'S DIRECTORY

## Radio Club Venezuela Series

General Requirements: GCR accepted. Fee for each award is \$US5. Apply to: Radio Venezuelan Club, Commission of Aids and Diplomas, Post-office Box N.2285, Caracas 1010-A, Venezuela. (Recommended that Registered Mail be used to send money.)

### Diploma YV9

Confirm each of the 9 Venezuelan call areas using any band or mode. YV0 may be used to replace any missing call area.

YV100, YV200, YV300

The award is available in 3 levels:

YV100 requires 100 different Venezuelan stations.

YV200 requires 200 different Venezuelan stations.

YV300 requires 300 different Venezuelan stations.

DX100, DX200, DX300

This is the Venezuelan version of the DXCC award. All modes or bands may be used to work countries on the ARRL DXCClist. It is granted after confirming at least 100, 200 or 300 different countries. Submit a listing in alphabetical order of the prefix of the country containing date, hour and mode, and signed by two amateur radio operators of the QSL manager of your locality.

Internet: <http://www.radioclubvenezolano.org/>

### Venezuelan States Award

Contact each of the 24 states (23 states plus the Capital District) which comprise the country of Venezuela on or after 1 January 1980. Available to any amateur or SWL in 4 versions:

- A- PHONE (SSB, AM, FM),
- B- CW,
- C- DIGITAL,
- D- MIXED

Contacts made by cross-band QSOs or those made through repeaters, nodes, relays or via Internet (echolink, iLink, etc) may not be used.. Satellite QSOs are accepted.

The applicant, will have to demonstrate by means of the corresponding QSL cards, have contacted or listened all the Venezuelan States (24), can be worked in any band or mode assigned to the amateur radio.

Contact with stations operating portable in a Venezuelan state is considered valid. All contacts must be made with FIXED station locations, none with mobiles.

The cards must be submitted along with a list of the contacts with full data including Station Worked, State, UTC, Date, Mode. Foreign stations need only send the list which must be certified by any society member of IARU.

Fee for the award is 20.000 Bs for Venezuelan stations and \$US12 or 24 IRC for all others. Apply to: D.E.V., RADIO CLUB VENEZOLANO, Comisión de Concursos y Diplomas, Apartado Postal 2285, Caracas 1010-A, Venezuela

### VENEZUELAN STATES LIST

Amazonas	Carabobo	Lara	Sucre
Anzoátegui	Cojedes	Mérida	Táchira
Apure	Delta Amacuro	Miranda	Trujillo
Aragua	Distrito Capita	Monagas	Vargas
Barinas	Falcón	Nueva Esparta	Yaracuy
Bolívar	Guarico	Portuguesa	Zulia

### RULES FOR Venezuelan Stations Activating other States:

1. The station to contact has to be fixed, within the state limits. For that reason will not be considered valid contacts those conducted with stations of movable type, even being within the State limits.
2. The operators will be asked to demonstrate their stay in the State, by means of graphical proof (Such as pictures or video) in case of being queried by the Manager of the DEV. Graphical data like: location in the activated State, place of the station, facilities and members that compose the activation, for its validation must have made a minimum of 100 contacts.
3. Stations which are permanently located in each States, as the licensed State, do not need any special request to credit his own state.

### VENEZUELAN ISLANDS AWARD

Contact at least 20 (30 for Venezuelan stations) of the islands belonging to the country of Venezuela on or after 1 January 1980.

Available to any amateur station or SWL and is issued in 4 versions A- PHONE (SSB, AM, FM), B- CW, C- DIGITAL, D- MIXED.

Contacts by cross bands or modes may not be used, not those made through repeaters, nodes, relays or via Internet (echolink, iLink, etc). Satellite QSOs are accepted. All bands and modes.

The Basic award will be granted to any foreign operator or listener (SWL) who has worked (or SWL), at least, 20 Venezuelan islands from the DIV directory. Venezuelan stations will need 30.

A special award will be granted to any Venezuelan or foreign operator or listener (SWL) who has worked (or SWL, at least, 50 Venezuelan islands from the DIV directory.

The contact made by two stations, both on the same island, will be considered valid for this award. Those contacts made with portable stations will be considered valid, Venezuelan stations must send the QSLs together with complete listing of contact data: Station Worked (Heard), Island, UTC time, Date, Mode. All others need to send the list of the contacts certified by any society member of IARU.

The D.I.V award fee for Venezuelan stations is 20.000 Bs. And all others is \$US12 \$ or 24 IRC. Apply to: D.I.V., RADIO CLUB VENEZOLANO, Comisión de Concursos y Diplomas, Apartado Postal 2285, Caracas 1010-A, Venezuela
