

## The Considerate Operator's Frequency Guide

| Band = 160 Meters |       |                                       |
|-------------------|-------|---------------------------------------|
| 1.800             | 1.810 | Digital                               |
|                   | 1.810 | QRP - CW Calling freq                 |
| 1.800             | 2.000 | CW                                    |
| 1.843             | 2.000 | SSB, SSTV and<br>other wideband modes |
|                   | 1.910 | SSB QRP                               |
| 1.995             | 2.000 | Experimental                          |
| 1.999             | 2.000 | Beacons                               |

| Band = 75/80 Meters |       |   |
|---------------------|-------|---|
| 3.500               | 3.510 | CW DX   |
|                     | 3.560 | QRP   |
|                     | 3.590 | RTTY DX                                       |
| 3.580               | 3.620 | Data  |
| 3.620               | 3.635 | Automatically controlled<br>data stations     |
|                     | 3.710 | QRP Novice/Technician<br>CW calling frequency |
| 3.790               | 3.800 | DX window                                     |
|                     | 3.845 | SSTV  |
|                     | 3.885 | AM calling frequency                          |
|                     | 3.985 | QRP, SSB calling freq                         |

| Band = 40 Meters |       |   |
|------------------|-------|---|
|                  | 7.040 | RTTY DX                                   |
|                  |       | QRP CW calling freq                       |
| 7.075            | 7.100 | Phone in KH/KL/KP only                    |
| 7.080            | 7.100 | Data                                      |
| 7.100            | 7.105 | Automatically controlled<br>data stations |
|                  | 7.171 | SSTV                                      |
|                  | 7.285 | QRP, SSB calling freq                     |
|                  | 7.290 | AM calling freq                           |

| Band = 30 Meters |        |   |
|------------------|--------|---|
|                  | 10.106 | QRP, CW calling freq                      |
| 10.130           | 10.140 | Data                                      |
| 10.140           | 10.150 | Automatically controlled<br>data stations |

| Band = 20 Meters |         |   |
|------------------|---------|---|
|                  | 14.0600 | QRP, CQ calling freq                      |
| 14.0700          | 14.0950 | Data                                      |
| 14.0950          | 14.0095 | Automatically controlled<br>data stations |
|                  | 14.1000 | IBP/NCDXF beacons                         |
| 14.1005          | 14.1120 | Automatically controlled<br>data stations |
|                  | 14.2300 | SSTV                                      |
|                  | 14.2850 | QRP, SSB calling freq                     |
|                  | 14.2860 | AM calling freq                           |

| Band = 17 Meters |         |   |
|------------------|---------|---|
| 18.1000          | 18.1050 | Data                                      |
| 18.1050          | 18.1100 | Automatically controlled<br>data stations |
|                  | 18.1100 | IBP/NCDXF beacons                         |

| Band = 15 Meters |         |   |
|------------------|---------|---|
|                  | 21.0600 | QRP CW calling freq                       |
| 21.0700          | 21.1000 | Data                                      |
| 21.0900          | 21.1000 | Automatically controlled<br>data stations |
|                  | 21.1500 | IBP/NCDXF beacons                         |
|                  | 21.3400 | SSTV                                      |
|                  | 21.3850 | QRP, SSB calling freq                     |

| Band = 12 Meters |         |   |
|------------------|---------|---|
| 24.9200          | 24.9250 | Data                                      |
| 24.9250          | 24.9300 | Automatically controlled<br>data stations |
|                  | 24.9300 | IBP/NCDXF beacons                         |

| Band = 10 Meters |         |   |
|------------------|---------|---|
|                  | 28.0600 | QRP, CW calling freq                      |
| 28.0700          | 28.1200 | Data                                      |
| 28.1200          | 28.1890 | Automatically controlled<br>data stations |
| 28.1900          | 28.2250 | Beacons                                   |
|                  | 28.2000 | IBP/NCDXF beacons                         |
|                  | 28.3850 | QRP, SSB calling freq                     |
|                  | 28.6800 | SSTV                                      |
| 29.0000          | 29.2000 | AM  |
| 29.3000          | 29.5100 | Satellite Downlinks                       |
| 29.5200          | 29.5800 | Repeater inputs                           |
|                  | 29.6000 | FM simplex                                |
| 29.6200          | 29.6800 | Repeater outputs                          |
